Changes are happening! A new roof is complete on units 7-10. All units have new flooring with some bedrooms left to complete. We are hoping to have new dining room tables in most units by the end

of the year.

Please notice paver work during your next visit and hope to see you out at the fire pit!

Please note reservation changes beginning January 1, 2019 listed below.

Please call or email the office with any questions.

OWNER SERVICES

Hello Edgelake Homeowners.

We are looking at another great Summer in Tahoe just around the corner. With great weather on the horizon and a full lake, it's a good time to look at bringing your boat (or your friends) up an use one of the ten buoys we have for rent. We are fortunate to have such a great location that if the lake is full we still have a beach where other beach resorts do not. If the lake is low we just have a bigger beach.

Feel free to call me with any ownership questions at 530.546.5850.

See you in Tahoe,

Wayne Wright
