Hello Edgelake Homeowners:

It's starting to cool off in Tahoe and it will not be long until it is time to hit the slopes. You can call one of our great front desk persons, Brian or Amanda for some Bonus Time or to get your week booked for this winter.

FYI: Many Owners have received calls from companies stating they want to buy their ownership or have someone that wants to. They ask for an upfront fee and do virtually nothing after receiving the payment, resulting in an immediate loss to the owner. Feel free to call with questions about their promises before you list with these companies.

Also, please call if you have questions on our referral program or your ownership at 530-546-5850. Many Owners have helped friends and family become able to have access to one of the most beautiful vacation destinations in the world.
